ISCA CODE OF ETHICS

All members of the International Scouting Collectors Association (ISCA) subscribe to a Code of Ethics to insure fair trading practices amongst its members. All members sign a statement subscribing to this Code.

I will:

Set an example in which all ISCA members will take prides.

Consciously, fairly represent items of Scout memorabilia.

Always follow the rules of the event that apply to trading..

Extend the hand of friendship to all collectors.

Trade or sell no patch that I know to be a fake or reproduction without disclosing the fact.

Help new collectors get started.

Impress on new collectors the importance of ethics in trading.

Currently be eligible to be registered in Scouting.

Strive for fairness in all actions consistent with the Scout Oath & Law.
